

Ball stop netting

Netting to integrate with sports fencing systems, like MUGA and Duo Mesh NEW FOREST FENCING
Established 1965

Our Ball Stop polypropylene netting is the perfect solution for preventing balls escaping and ensuring there are no stoppages to play. While it can be installed as a standalone system, it is often installed above MUGA or Duo Mesh.

Features

Cost effective

Weather resistant

Choice of colours

Easy integration with other sports fencing systems

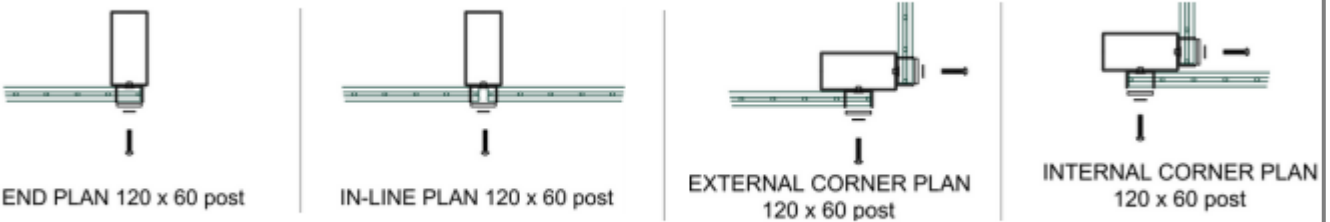

Ball stop netting

Netting to integrate with sports fencing systems, like MUGA and Duo Mesh
